

It's just too hot

It's just too hot.
It's just too hot.
Maybe later we'll help.
But now it's just too hot.
It's just too hot.
It's just too hot
Maybe later we'll help
But right now it's too hot.
It's just too hot to help right now.

Then we will do it all ourselves.
And ask you later for a little more help.
We gotta get some food in here.
So, we will plant the seeds ourselves.

Play, Play

Play, play, every day.
All we like to do is play, play, play.
We don't wanna to work.
That's no fun.
Playing's great for everyone.

Play, play, every day.
All we like to do is play, play, play.
We don't wanna to work.
That's no fun.
Playing's great for everyone!

Pull the Weeds

We really need to pull the weeds.
We really need to pull the weeds.
We planted all the seeds
Now we need to pull the weeds.
Can you please help us pull the weeds?

NO!!! Not, right now. (Friends)

Sleep

We're gonna go to sleep right now.
Sleep
Sleep
We're gonna go to sleep right now.
We really need our rest.

We're gonna go to sleep right now.
Sleep

Sleep
We're gonna go to sleep right now.
We really need our rest.

SLEEP!?!? (Hens and Narrators)

You're gonna want some food later.
Food
Food
You're gonna want some food later.
So, you should really help.

No. Not this time! (Friends)

We're gonna go to sleep right now.
Sleep
Sleep
We're gonna go to sleep right now.
We really need our rest!

Reward

If you work hard
You will be rewarded

If you work hard
You will be rewarded

If you work hard
You will be rewarded

If you work hard
You will be rewarded

If you work hard
You will be rewarded

Hard work comes with a reward.

Oh, yeah!
Oh, yeah!
Oh, yeah!

Hard work comes with a reward.

Oh, yeah!
Oh, yeah!
Oh, yeah!
