

Shake Your Eggs

Shake your eggs on your head, on your head

Shake your eggs on your head, on your head

Shake your eggs on your head

Then pretend to go to bed

Shake your eggs on your head, on your head

Shake your eggs on your knee, on your knee

Shake your eggs on your knee, on your knee

Shake your eggs on your knee

Then pretend it's a cup of tea

Shake your eggs on your knee, on your knee

Shake your eggs on your toes, on your toes

Shake your eggs on your toes, on your toes

Shake your eggs on your toes

Toes rhyme with nose

Shake your eggs on your toes, on your toes

Shake your eggs at your ear, at your ear

Shake your eggs at your ear, at your ear

Shake your eggs at your ear

Then pretend they're antlers like on a deer

Shake your eggs at your ear, at your ear

The Noble Duke of York

The Noble Duke of York, *(Bounce your knees to simulate movement)*

He had ten thousand men; *(Bounce your knees to simulate movement)*

He marched them up to the top of the hill, *(Slowly raise your knees)*

And he marched them down again. *(Slowly lower your knees)*

And when they were up, they were up, *(Lift baby up)*

And when they were down, they were down, *(Lower baby down)*

And when they were only half way up, *(Lift baby half way up)*

They were neither up nor down. *(Quickly lift and lower baby)*

Itsy Bitsy spider

The Itsy Bitsy spider climbed up the water
spout.

Down came the rain, and washed the
spider out.

Out came the sun, and dried up all the rain
And the Itsy Bitsy spider climbed up the spout again.

The Teensy Tiny climbed up the water spout.
Down came the rain, and washed the spider out.
Out came the sun, and dried up all the rain
And the Teensy Tiny spider climbed up the spout again.

The Great Big spider climbed up the water spout.
Down came the rain, and washed the spider out.
Out came the sun, and dried up all the rain
And the Great Big spider climbed up the spout again.
